## National Cadet Corps

2019 - 2020

### 1. Introduction

The National Cadet Corps is the Indian military cadet corps with its head Quarters at New Delhi. It is open to school and college students on voluntary basis. The National Cadet Corps in India is a voluntary organization which recruits cadets from high schools, colleges and Universities all over India. The Cadets are given basic military training in small arms and parades. The officers and cadets have no liability for active military service once they complete their course but are given preference over normal candidates during selections based on the achievements in the corps.

KPR Institute of Engineering and Technology raised 5 (TN) Girls BN NCC Unit - Senior Wing from October 2018 and has many active functioning in the campus from its inception. The units coordinate and conduct various Camps, social service based activities, etc.
