**ACADEMIC YEAR 2021-22**

## NATIONAL CADET CORPS

2021 – 2022

### Introduction

The National Cadet Corps is the Indian military cadet corps with its head Quarters at New Delhi. It is open to school and college students on voluntary basis. The National Cadet Corps in India is a voluntary organization which recruits cadets from high schools, colleges and Universities all over India. The Cadets are given basic military training in small arms and parades. The officers and cadets have no liability for active military service once they complete their course but are given preference over normal candidates during selections based on the achievements in the corps.

KPR Institute of Engineering and Technology raised 5 (TN) Girls BN NCC Unit - Senior Wing from October 2018, 6 (TN) Med Coy NCC and 2 (TN) Air Sqn NCC from 2021 and has many active functioning in the campus from its inception. The units coordinate and conduct various Camps, social service-based activities, etc.

### AIM OF NCC

The 'Aims' of the NCC laid out in 1988 have stood the test of time and continue to meet the requirements expected of it in the current socio-economic scenario of the country. The NCC aims at developing character, comradeship, discipline, a secular outlook, the spirit of adventure and ideals of selfless service amongst young citizens. Further, it aims at creating a pool of organized, trained and motivated youth with leadership qualities in all walks of life, who will serve the Nation regardless of which career they choose. Needless to say, the NCC also provides an environment conducive to motivating young Indians to join the armed forces.

### *Motto of NCC*

**Unity and Discipline (Ekta aur Anushasan)**

### CORE VALUES

The NCC is a responsive, learning and continuously evolving organization. Its activity is guided by certain **Core Values** that we endeavour to instill among all ranks of the NCC. These include the following:

- A sense of patriotic commitment to encourage cadets to contribute to national development.
- Respect for diversities in religion, language, culture, ethnicity, life style and habitat to instill a sense of National unity and social cohesion.

- Abiding commitment to learn and adhere to the norms and values enshrined in the Indian Constitution.
- Understanding the value of a just and impartial exercise of authority.
- Ability to participate in community development and other social programme.
- A healthy life style free of substance abuse and other unhealthy practices.
- Sensitivity to the needs of poor and socially disadvantaged fellow citizens.
- Inculcating habits of restraint and self-awareness.
- Understanding the values of honesty, truthfulness, self-sacrifice, perseverance and hard work.
- Respect for knowledge, wisdom and the power of ideas.

**Outcome :**

With the patriotic spirit, the 73<sup>rd</sup> Republic Day was celebrated at KPR Institute of Engineering and Technology under the guidance of Dr. K. P. Ramasamy, the Chairman, KPR Group. Dr. M. Akila hoisted our National Flag at 8.00 am and the entire college paid tribute to the pride of our nation. She inculcated patriotism and nationalism in the minds, hearts and souls of the students through her vibrant speech. The NCC parade and the rifle show were demonstrated with valour, unity and discipline by the NCC cadets of KPRIET. Cultural events like Patriotic Speeches, Silambam, Wushu, patriotic songs were energetically performed by the students, faculty members and the children of the KPRIETians with love and devotion to our country. Drone show was executed by the Aviation and Robotics club of KPRIET. The drone Quad copter proudly flew with the National Flag and the racing drone, DRDO defense drone flew with the speed of 200km per hour. In order to cultivate the spirit of patriotism and to express the gratitude to the army soldiers and Mother India, the patriotic run had been run by the KPRIETians.

#### Honoring Unsung War Heroes

We are privileged to inform you that KPR Institute of Engineering and Technology along with Officer Preparing Academy held the function of "Welcoming Ceremony of Mr. Umesh Gopinath Jadhav" on 11th February 2022, at KPRIET campus. This was to commemorate Mr. Jadhav's zeal for embarking on a mission to travel all over India, paying homage and collecting holy soil from martyr's homes, who have sacrificed their lives for the betterment and security of our nation. The grand occasion was convened by Principal Dr. M. Akila with the blessings of Chairman Dr. Shri K.P. Ramasamy and graced by Lt. Esan (Commander of Delta Squad, Officers Preparing Academy), Major Rahul Sidharth (Indian Army) and Dr.T. Jothimani (Parent of Alumnus). Lieutenant Esan, Commander of the Delta Squad, one of the many esteemed guests, introduced the resource persons, and welcomed the gathering with a powerful speech.

He proudly re-enacted his heroic rescue missions with such a humble nature and his introduction to the chief guest was nothing short of a royal welcome to the Unsung Civilians of this Nation. At this auspicious occasion, Dr. Jothimani, a psychology professor and the parent of our alumnus who has made an unfathomable sacrifice by giving her son Flying Officer Nishanandan, who has graduated in the stream of Mechanical Engineering in the year 2018 to defend the nation from any external aggression. As she rightly said "Independence was not free. It has given soldiers". Her words of wisdom perfectly simplified every parent's dream, to be self regulated and self motivated.

### Unsung Hero

The felicitation address by the chief guest Mr Jadhav, reignited the fire of patriotism in each and every person present in the room, without a doubt. Mr. Umesh Gopinath Jadhav, was born in Aurangabad, Maharashtra, holding Masters in Pharmacy, is a musician by profession. He is known to have traveled 1.15 Lakh Kilometers across 28 States and 8 Union territories in just 3 years, as part of India's First patriotic road trip titled " Bhartiya Pratham", to meet our martyr's family and paying homage. He does this by collecting Holy Sand (Bharat Ke Mitty Ka Summan) to make an Indian Map as a symbol of martyrs' soil respect in Jammu and Kashmir. He has undertaken this great journey of traveling across India to give a sense of patriotism to the nook and corner of India without even needing or wanting any sponsorship.

Mr Jadhav insisted, "We will never be able to achieve freedom from inside; we must not wait for materialistic opportunities". The students were moved with the stories of our martyrs, and the void that their families now face. Two heart-wrenching diary entries were read out, and one was appropriately named as "Tiger of Hand". "One day my name will be proud for the nation. I will serve the nation until my last breath".

### Soaring Above:

Finally, Major Raahul Sidharth, who began his address with a quote "It takes blood to write history. It needs courage to rewrite history". This one phrase spoke a thousand words and the aim of his presentation was to test the candidate's ability to draw lessons from his campaign. He also, shared about how India was before and after the Partition. He concluded with his remark that "India was great, India is great, and India will be great!, Jai Hind" said Major Raahul Sidharth.
