About KPRIET

KPR Institute of Engineering and Technology (KPRIET), founded by Dr. K. P. Ramasamy, stands out as a leading institute of academic excellence by imparting technical, intellectual, and professional skills to students. The institute, with its diverse and energetic community of students offers a distinguishing blend of some of the premium graduate, undergraduate and research programs, talented faculty, world class amenities and a residential campus set on a sprawling 150 acres of lush green campus.

While students at KPRIET immerse themselves in academics, the institute has a lot in store for them outside the classroom. Student life includes participation in sports, co-curricular activities and cultural. In short, at KPRIET, students will find an academic and social environment where everyone- from faculty members to peer's support shape their future.

KPRIET is a home to artistically designed buildings with state of the-art computer and internet facilities, modern workshops, seminar halls, auditoriums and well stocked libraries, sports and games fields in addition to an indoor badminton court and gymnasium.

KPRIET has a faculty strength of 260 with a faculty student ratio of 1:15. Out of the total, 97 faculty members PhDs. and 102 are in the process of completing their PhDs. As an exemplary institution of learning, KPRIET follows an admission policy that strongly favours merit, even as it enables access to education for students from all strata of society through appropriate scholarships

Vision of the Institute

To become a premier institute of academic excellence by imparting technical, intellectual and professional skills to students for meeting the diverse needs of industry, society, the nation and the world at large

Mission of the Institute

- Commitment to offer value-based education and enhancement of practical skills
- Continuous assessment of teaching and learning processes through scholarly activities
- Enriching research and innovation activities in collaboration with industry and institutes of repute
- Ensuring the academic processes to uphold culture, ethics, and social responsibilities

About the Department

The Department of Civil Engineering of KPR Institute of Engineering and Technology, Coimbatore was established in the year 2009. The Department has been elevated to its next pedestal by offering PG in Structural Engineering in the year 2014. The Department has been recognized as a Research Centre for pursuing Ph. D. in Civil Engineering by Anna University. It has been accredited by NBA, New Delhi.

The Department also provides an opportunity for students in improving practical knowledge in the field of Civil Engineering and Software skills like AutoCAD, STAAD Pro, ETabs, SketchUp, Arc GIS, 3ds MAX and Revit Architecture through Building Information Modelling – Centre of Excellence, KPR Infra (start-up by students) and Learn-it (Masonry Yard), in addition to Communication and Presentation skills. The students must undergo Industrial Training and Industrial Visit to facilitate them to take up industrial live projects to understand the field constraints. KPR Civil Academy has been established to facilitate the students to take up the training for competitive exams.

The Department of Civil Engineering as well as faculty members has lifetime membership in various Professional Societies like ICI, IGS, IEI, ISTE, IPA and BAI. The Department of Civil Engineering has various Students Chapter like ACI, IGS, IEI, ICI, ISTE, IGBC to gain knowledge through various programmes conducted by these bodies across the Nation.

Vision of the Department

To be recognised in Civil Engineering through quality education, research and innovation for the sustainable developments of the society

Mission of the Department

- Provide holistic education to students on emerging technologies in Civil Engineering
- Instil in individuals a sense of ethical values and lifelong learning
- Promote research and consultancy activities

Programme Organised

Industry Conclave 2025

Date: 27.05.2025

The Department of Civil Engineering, KPRIET organized the Fourth Edition of Industry Conclave 2025 on May 27, 2025. This event aimed to strengthen collaboration between academia and industry by bringing together industry experts and academicians under one roof.

This conclave served as a dynamic platform for meaningful interactions between students and industry professionals, offering unique opportunities for knowledge exchange and mentorship. These interactions allowed students to gain practical knowledge, understand current industry trends, and receive guidance for their future careers.

Beyond just a professional gathering, the conclave also served as a gesture of gratitude from the department to recognize and appreciate the ongoing support and collaboration from industry partners and academic contributors.

Alumni Conclave 2025

Date: 04.05.2025

The Department of Civil Engineering, KPRIET organized the Alumni Conclave 2025 on 4th May 2025. This event brought together our esteemed alumni for an engaging and nostalgic get-together, offering opportunities to reconnect, share experiences, and strengthen professional bonds. The conclave featured welcome addresses, distribution of mementos as tokens of appreciation, alumni testimonials, and interactive networking sessions. The day concluded with a group photograph to capture the memories and an atmosphere of celebration.

The event served to honor the accomplishments of our alumni and showcase their journeys since graduation. It also served as a source of inspiration for current students, who had the chance to interact with and learn from their seniors. The conclave reinforced the strong and lasting connection between the institution and its alumni community.

Value Added Course on Tinker CAD

Date: 21.04.2025 to 03.05.2025

The Department of Civil Engineering organized a Value Added Course (VAC) on TinkerCAD for the second-year students. This course served as an introduction to the students to the fundamentals of computer-aided design using TinkerCAD software. The session aimed to enhance students practical skills in digital design and visualization, helping them build a strong foundation in 3D modeling and engineering concepts.

The training sessions were designed to provide hands-on experience, allowing students to explore various design tools, build simple structures, simulate electronic components, and understand spatial design concepts. By the end of the course, students had developed a solid foundation in digital design, which is essential for future coursework, project development, and professional applications in the engineering field.

Faculty Publications

- **Elavarasan Saminathan**, Sadheesh Sellamuthu, Dineshkumar Veerappan & Yogeshwaran Venkatraman published a paper titled "Sporting footpaths and toxic dust: a risk-based assessment of urban, suburban, and rural exposure" in International Journal of Environmental Health Research

- **Yuvaraj Subramaniyan**, Subramanian, Sathishkumar Vijayaprakash, Yogeshwaran Venkatraman published a paper titled "A study on the strength and durability of cement mortar featuring partial brick powder replacement: economic and sustainability implications" in Revista Materia

- **Dharmaraj Rajalinggam**, Elango Krishnan Soundararajan, Kavin Kallipatti Manivannan, Logeshwaran Selvaraj, Selvi Kaliappan, Swathika Murugesan published a paper titled "Durability characteristics on Self-Compacting Concrete using casting slag as fine aggregate" in Revista Materia

- **Indhiradevi Palanisamy**, Saravanakumar Palanichamy published a paper titled "Analysis and evaluation of Cost of Quality (COQ) elements on total quality costs in construction projects: design of experiments" in Revista Materia

Faculty Participation

S. No.	Name of the Faculty	Type of Program	Title of the Program	Organising Institute	Date
1.	Dr. Dharmaraj R	Conference	4th International Conference on Digital Technologies in Construction	Sona College of Technology	16/04/2025
2.	Mr. Yuvaraj S	Editorial Board Member	Journal of Concrete Technology and Materials	SCIENXT	05/05/2025
		Cube contest Mentor	National Cube Contest	PSG College of Technology	02/04/2025
3.	Ms. Vinodhini C	FDP	2 Day FDP-Teachers For New Gen Learners with Silt Approach	KPRIET	16/04/2025 to 17/04/2025
4.	Mr. Maruthi Venkatesh K	FDP	2 Day FDP-Teachers For New Gen Learners with Silt Approach	KPRIET	16/04/2025 to 17/04/2025
5.	Mr. Venkat Raman S	Certification course	Nature based solutions for disaster and climate	UNEP, PEDRR, SDG Academy	03/05/2025 to 05/05/2025
6.	Mr. Vinoth. S	FDP	2 Day FDP-Teachers For New Gen Learners with Silt Approach	KPRIET	16/04/2025 to 17/04/2025
		Expo	Science & Business Expo- Venture Valley	Spring mount valley school	12/04/2025 to 13/04/2025
